Headline:
Dry and bright after a chilly start. Cool.

Today:
A dry, bright, but chilly start with some showers affecting coastal parts through the morning. Dry and bright through the afternoon, as any showers die out, with long periods of sunshine, but feeling cool. Maximum temperature 11 deg C (52 deg F).

Tonight:
Clear skies for the most part overnight, with only brief patchy cloud, allowing temperatures to dip into low single figures. Local frost possible in rural parts. Minimum temperature 0 deg C (32 deg F).

Saturday:
Dry and bright morning once any overnight frost clears. Thickening cloud spreading eastwards from late morning, with some rain possible in the evening, especially for northern parts. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Cloudy and breezy on Sunday with outbreaks of rain, this easing later. Monday starting cloudy with occasionally heavy rain later. Breezy Tuesday, with isolated showers possible. Turning milder.
